## Market Leader for Industry and Research

**GIESSEREI** is the leading German-language trade journal for technology, innovation and management in the foundry industry.

The target groups are foundries (iron, steel and malleable foundries, non-ferrous metal foundries and die casting foundries), foundry plant and mechanical engineers, foundry customers, suppliers and the processing industry.

### Contents:

■ Technology-, Strategy- and Management Trends | ■ Profiles of the Industry Players | ■ Comments | ■ Interviews | ■ In-depth Technical Reports | ■ Scientific Background | ■ Patent Reports | ■ Information from Associations and Politics

The **GIESSEREI SPECIAL** - research and innovation - is published twice a year as a main topic in the **GIESSEREI** magazine. In it, **GIESSEREI** readers and the scientific community are presented with future-oriented research and development topics from the existing research network in foundry technology prominently presented in the media.

98 % of our readers read all editions of **GIESSEREI**.

Our readers attest the traditional magazine **GIESSEREI** a high professional utility value, 70 % of the readers are TOP decision-makers in the industry.

## Reader survey GIESSEREI-MEDIEN

### Method:

1. Online survey of GIESSEREI customers by email
2. On-site survey via the website [www.giesserei.eu](http://www.giesserei.eu)
3. Via the magazine itself (via the printed short URL)

**Target group:** subscribers and readers of GIESSEREI magazine as well as visitors to [www.giesserei.eu](http://www.giesserei.eu)

**Sample:** 34 participants through the website, 39 participants through the magazine, 41 participants / customers contacted by email

**Study period:** April 29, 2021 - July 15, 2021

### Execution:

SKOPOS Institut für Markt- und Kommunikationsforschung GmbH & Co. KG

## Reading behavior

More than two thirds of those surveyed read both the print and the online edition. Almost a quarter of those surveyed only read the print edition.

## Information channels

Specialized media are particularly helpful in everyday professional life. Trade fairs and company websites follow at a distance. Seminars and newsletters are helpful for about half

## Overall Satisfaction

The GIESSEREI is rated very positively overall. 85% of the participants are satisfied with the magazine, around a third are even very satisfied. Almost all respondents like the appearance at least well.

### With GIESSEREI magazine, I am ...

## Receipt / circulation of the magazine

A third of the readers receive the GIESSEREI as a private subscription, all others either as a personal copy or a copy in circulation at work. It is passed on to colleagues in approx. 50% of the cases, mostly to several.

### Circulating copy vs. personal copy

### Passing on to colleagues

## Importance of subject areas

Technical articles are indispensable for GIESSEREI readers. News about foundries and suppliers as well as articles on research topics are also very relevant.

## Industry affiliation

## Foundry process of the respondents

What is poured?

Foundry processes

## Number of employees and qualifications

Number of employees in the company

Vocational training

## Position in the company

- Sales manager for the hand-molded range
- Technologist
- Technical Consultant
- techn. Outside sales
- Strategy & internationalization
- Deputy Head of Department
- Senior Business Development Manager
- Pensioner
- Product manager
- Master and construction
- Supplier Development
- Foundry mechanic
- Foundry manager
- Skilled foundry workers

## Responsibility in the company

## Decision-making authority of the GIESSEREI readers

## Sales national / future markets

Sales in the national market (in% of total sales)

Interesting markets in the future

## The specialist magazine for the international market

**CASTING PLANT AND TECHNOLOGY INTERNATIONAL (CP+T)** is the leading English-language trade journal for the foundry industry with worldwide distribution.

It covers the entire foundry technology for iron and steel casting, as well as non-ferrous metal casting including die casting. Raw and auxiliary materials as well as questions of quality monitoring and environmental protection are included. The focus is on technical articles from the practice of plant builders, suppliers and foundries. Short news about new facilities and processes and important events in the foundry industry complete the editorial offer..

Actual circulation		100	4,198

## Summary of the surveying method

1. Method: Analysis of recipient structure by data evaluation - total survey

2. Population:

actual circulation                      4,198 = 100%

Not considered in the survey            711 = 17.0%

3. Sample: total survey

4. Target persons of the survey: personal recipients in the institutions contained in the data pool

5. Period of the survey: July 1, 2018 – June 30, 2019

## Maximum Visibility of your company: Print & Online

In the international trade journal **CASTING PLANT AND TECHNOLOGY INTERNATIONAL** and **www.keytocasting.com**.

Finding the right business partners quickly and reliably, being found yourself or gaining an overview of the market - this is ensured by the international source of supply directory in every issue of **CASTING PLANT AND TECHNOLOGY INTERNATIONAL** and online at **www.keytocasting.com**.

Thanks to the clear structure in technical areas, your company will be found quickly and precisely as a suitable manufacturer, supplier and service provider in the international foundry business.

## Prices

The price of your entry depends on the number of keywords.  
All prices are in EURO and do not include the currently valid VAT rate.

Number of Keywords	Cost per Year/per Keyword
1 - 2	200
3 - 5	190
6 - 11	180
12 - 15	170
16 - 20	160
21 +	on request

# Formats and Technical Details

- 1 Size of Journal:** 210 mm wide, 297 mm high, DIN A4 format untrimmed:  
216 mm wide, 303 mm high. 3 mm trimming allowance at all sides
- Print Area:** 174 mm wide, 260 mm high
- 2 Printing and Binding Method:** Offset, perfect binding
- 3 Transmission of Digital Data:** Britta Wingartz  
☎ +49 211 1591-155  
✉ [britta.wingartz@dvs-media.info](mailto:britta.wingartz@dvs-media.info)
- 4 File Formats:** We recommend the delivery of PDF data (standard: PDF/X-4:2008). Open data (e.g. InDesign etc.) should be avoided. The file must be printable, i.e. all fonts used must be embedded, halftone images require a resolution of 300 dpi, line images at least 600 dpi.
- 5 Colours:** PSO Coated v3 (ECI)  
Colour profiles and more information about ICC profiles at [eci.org](http://eci.org).
- When delivering print files that are sent to us in RGB colour mode, we automatically convert them to CMYK. Please note that the conversion may result in colour changes. The publisher is not liable for colour deviations in print. Special colours are possible on request.
- 6 Archiving of Data:** As the data are archived, it is generally possible to use the data in an unchanged version for reprints. However, we do not assume any responsibility for the provided data.
- 7 Warranty:** We accept no responsibility for the printing result, if the data (for texts, colours, artwork) provided are incomplete or deviate from the proof. Wrong exposures due to incomplete or faulty files, wrong settings or incomplete instructions will be charged extra. Also additional typesetting or copying effort and the production of faulty proofs will be extra charged.
- 8 Additional Technical Costs:** Layout of the advertisement including 2 correction phases 85 €

# Bound-in Inserts

## Formats and Technical Details

### Bound-in Inserts::

Before accepting and confirming the order, a binding sample, if necessary a blind sample with details of size and weight, must be submitted. Supplements must be designed in such a way that they are recognizable as advertising, cannot be confused with the editorial section, and may only advertise the sales program of an advertiser. The placement of supplements depends on the technical possibilities. Supplements that are printed on a material other than paper can only be accepted with the prior approval of the post office.

### Formats:

untrimmed in mm Width x Height  
1 Sheet (= 2 Pages) 216 x 307  
2 Sheet (= 4 Pages) 432 x 307  
3 Sheet (= 6 Pages) 620 x 307  
4 Sheet (= 8 Pages) = 2 x 2 Sheets

### Required Quantity:

on request

### Technical Information:

Bound-in inserts are to be delivered untrimmed. Multi-page bound-in inserts must be delivered folded accordingly. The front of the insert must be marked. The type and design of the Bound-in inserts must be trimmed in such a way that additional preparation and processing is not necessary. Difficulties and additional folding and gluing work will be invoiced separately. In the case of multi-leaf Boundin inserts, the Bound-in inserts must be closed towards the bundle, i.e. in the direction of insertion. In all other cases, a hardship surcharge must be calculated.

### Shipping Address:

Free delivery to:  
D+L Printpartner  
Schlavenhorst 10  
46395 Bocholt / Germany  
Delivery note: For magazine „GIESSEREI“,  
issue (No.)

# Loose Inserts, Stick-on Advertising Material

Formats and Technical Details

**Loose Inserts:** The condition for the order acceptance and confirmation by the publisher is the submission of a binding sample, if necessary a blind sample with details of size and weight. Inserts may only advertise an advertiser's sales program. They must be designed so that they are not confused with the text part of the magazine. The placement according to the technical possibilities.

**Insert Note:** An insert note will be included in the ad section free of charge

**Required Quantity:** on demand

**Delivery Date:** At the respective advertising deadline (see schedule and topic plan, pages 12 & 13 and 26)

**Format:** Maximum 205 x 295 mm

**Shipping Address::** Free delivery to:  
D+L Printpartner  
Schlavenhorst 10  
46395 Bocholt / Germany  
Delivery note: For magazine „GIESSEREI“,  
issue (No.)

**Technical Information:** Loose inserts are inserted loosely. They must consist of one piece and be made in such a way that no additional processing is necessary. Difficulties in processing and additional work (e.g. folding) will be invoiced separately. Inserts that are printed on a material other than paper can only be accepted after submission of a binding sample to check the possibilities of processing and shipping. If the insert consists of several sheets, it must be closed to the bundle, i.e. in the direction of insertion. Postcards stuck on inserts or advertisements, as well as other advertising material on request.

# Special Advertising Formats

## More attention for your print advertising!

Our special formats of advertising are a special form of print advertising, they appear pleasant and at the same time surprising to readers and are particularly well perceived and remembered. So your advertising stays present.

### Special advertising formats...

- ...offer you a particularly prominent advertising placement
- ...show our readers - your target group - your innovative strength
- ...are attention and / or topic-oriented
- ...increase the response effect

Let your creativity run free, draw from the wide range of our innovative special forms of advertising or challenge us with your own ideas.

**More than ever - Print is successful - We would be happy to advise you!**

## 8 Good Reasons for Your Advertising Success

- High circulation with industry-specific target group
- Supplement in the leading media of the foundry industry
- Present in offices and production for 1 year (trade fair and holiday planner)
- Most important industry trade fairs for the target group in view
- Cost Effective
- Exclusivity
- Brand booster
- Long-term advertising with a long-term effect

## Your advantage

Inexpensive way to provide decision-makers with long-term effects without wastage to reach!

# GIESSEREI YEARBOOK 2026

The Foundry Industry in a Nutshell

The entire foundry industry in one volume - that is what it has stood for since 1999 FOUNDRY yearbook. In the 2026 edition, too, the yearbook provides comprehensive information on the industry, from C for contact persons to D for directory of supply sources and F for further training opportunities to S for specialist articles.

## Publisher:

German Foundry Association (BDG)  
Verein Deutscher Giessereifachleute (VDG)

**Publication Date:** December 12, 2025

**Advertising Closing Date:** October 17, 2025

**Distribution in Print and Online:** 5,000 Copies

## The Content

The **GIESSEREI Yearbook** contains current engineering reports on various key issues in the foundry industry and deals with diverse further topics related to the industry, such as training and further education, research, industry organization, industry figures, standardization activities and much more.

**The integrated company directory (print & online)** helps with alphabetical list of companies and key words, as well as a detailed list of the suppliers guide, in the search for suitable business partners, products and services for all areas of foundry production.

## Alphabetical Company Directory (print & online)

<https://verzeichnis-jahrbuch.giesserei.eu/> - Accessible online for 12 months!

## How to ignite the advertising turbo with your technical papers...

With your published article in one of our trade journals you have set a visible sign of **your professional competence**. Use this effect to boost your marketing - with an **offprint in print or digital!**

With printed special editions of your specialist article, you literally "put your expertise in the hands" of your customers or partners. And at events the printed special editions successfully complement your marketing measures.

In digital form, you can integrate the offprints into your web presence or conveniently send them by e-mail.

**Whether print or digital: Offprints protect you from copyright infringement.** All publications and illustrations in our media are protected. With our special print versions you can publish your contribution without any legal concerns. We would be pleased to provide you with an individual offer.

### 1 The Classic – printed in 4-colours

In printed form

Includes permission to distribute your prints

Printing: 4-colour Euroscale, Paper: 135 g/m<sup>2</sup> Picture printing matt, white

Format: DIN A4 (front and back printed)

On request practical ring eye stapling for filing (extra charge 20 €)

# HOME OF FOUNDRY

DAS BRANCHENPORTAL

# MEDIA KIT 2025

# WELCOME TO HOME OF FOUNDRY

The world of the foundry industry has found a virtual home: **HOME OF FOUNDRY**

The focus of this contemporary content-based B2B information service is versatile reporting on current trends in the sector, in industry and trade. We focus in particular on practical topics in our editorial work. HOME OF FOUNDRY serves as a competent source for all those who are professionally involved in production, application and processing as well as research and innovations in the field of casting.

The entire process chain from plant engineering, melting, refractory technology, mould and core production, raw materials, preparation technology, surface treatment, automation technology, measuring

and testing systems, consulting and service offers to the diverse range of cast products is shown on HOME OF FOUNDRY.

Both users and decision-makers from purchasing, sales and marketing benefit from this unique range of reporting, the expert opinions and the background reports.

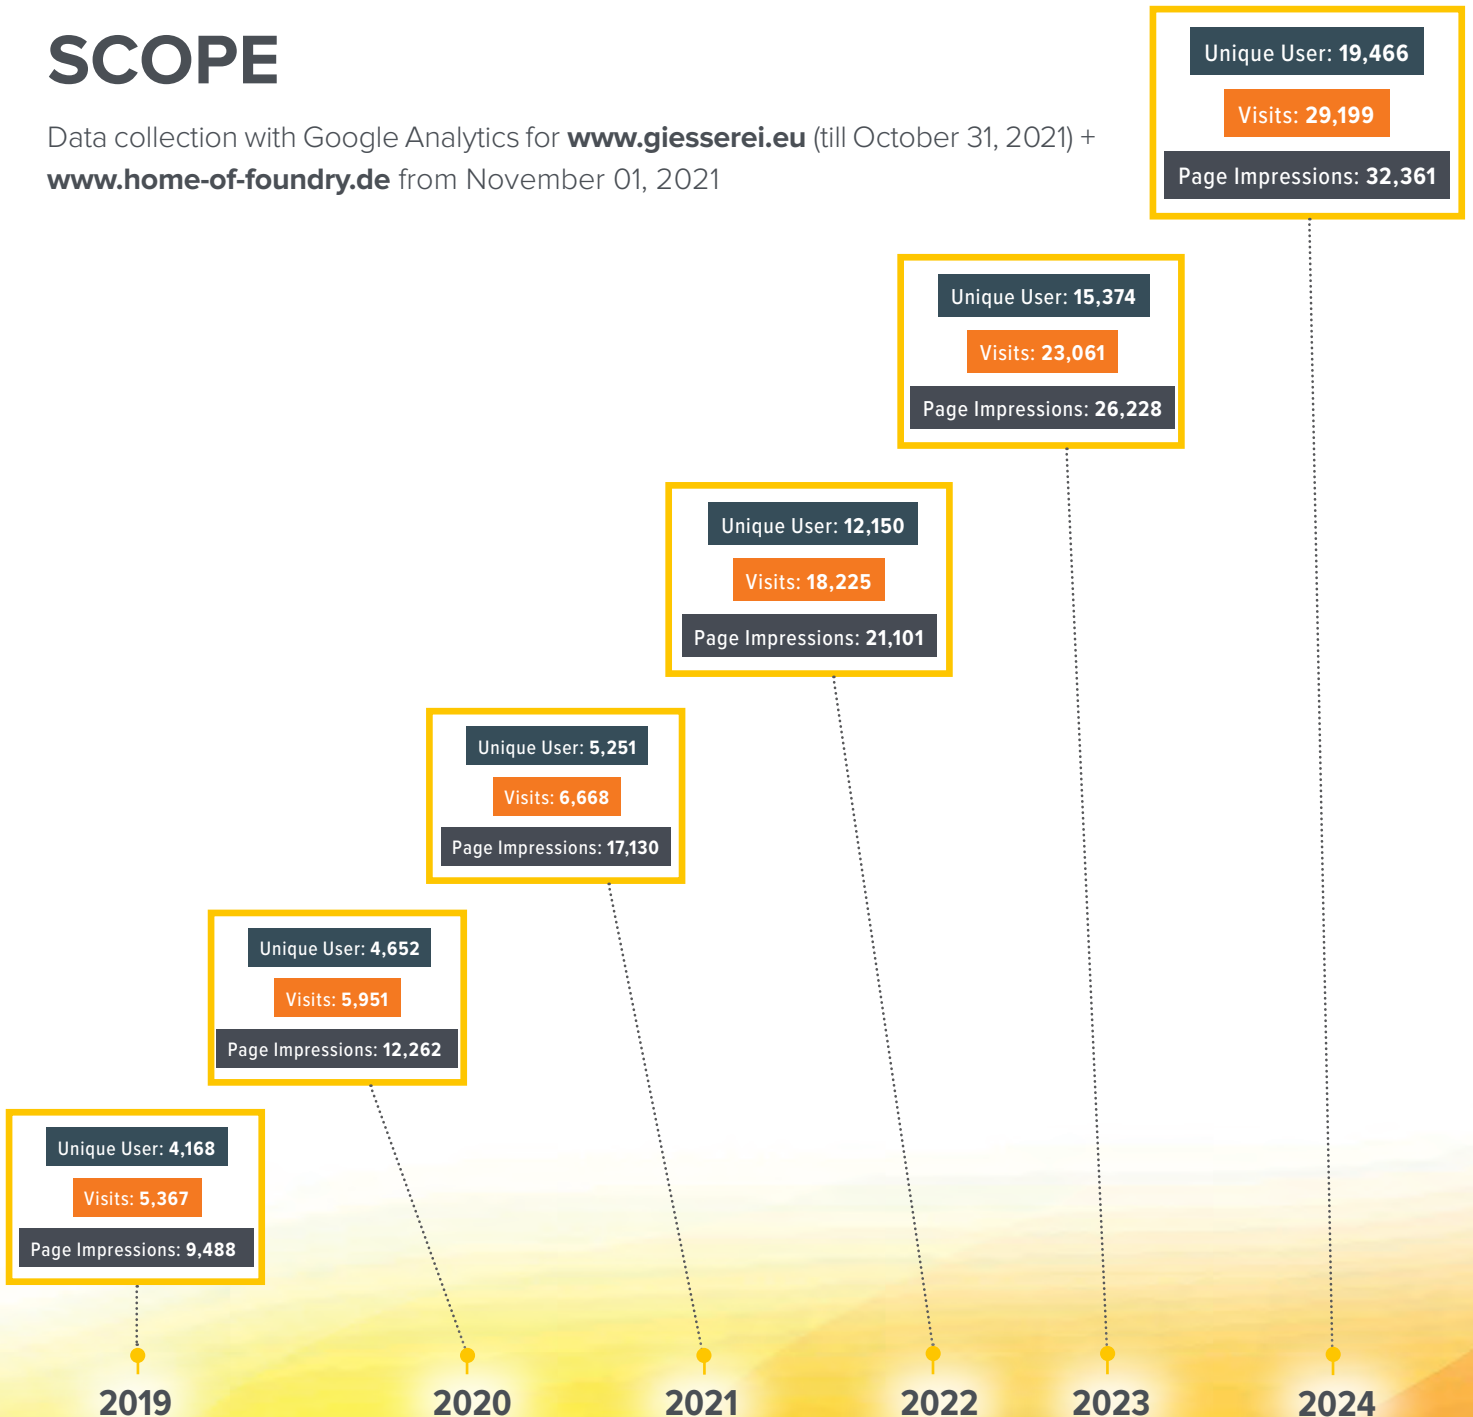

Everything for foundrymen  
[www.home-of-foundry.de](http://www.home-of-foundry.de)

The screenshot shows the homepage of the HOME OF FOUNDRY website. At the top left is the logo 'HOME OF FOUNDRY DAS BRANCHENPORTAL'. To the right, it says 'powered by GIESSEREI' with a search bar and links for 'MEDIADATEN', 'NEWSLETTER', and 'KONTAKT'. A main banner features a video player with the title 'Der neue S-Max Flex Sand-3D-Roboterdrucker' and a 'VIDEO ANSEHEN' button. Below the banner is a navigation menu with 'HOME', 'ARTIKEL', 'PRODUKTE & FIRMEN', 'GIESSEREI-MEDIEN', 'JOBPORTAL', 'TERMINE', and 'MEDIATHEK'. The main content area has a welcome message: 'Herzlich willkommen im HOME OF FOUNDRY!' followed by a description of the site's focus on foundry technology and a list of social media links. There are several content blocks: 'AKTUELLES' with a 'NEWS' section showing safety icons, 'UNTERNEHMEN' with an article titled 'INSOLVENZVERWALTER BESTELT' dated 03.08.2022, and a 'SCHAEPER' logo. On the left and right sides, there are vertical advertisements for 'JASPER' and 'Das neue Gesicht der Branche'.

# ONLINE AND DIGITAL ADVERTISING OPPORTUNITIES.

## Banner advertising

Banner advertising is one of the most popular advertising options on the Internet because good banner advertising is perceived and clicked. In the HOME OF FOUNDRY you can use various standard formats for your advertising goals.

## Advertorials

Advertisements in editorial guise are becoming increasingly popular. With this advertising opportunity you benefit from our high quality editorial content in the HOME OF FOUNDRY.

## Product and company directory

An industry directory for the foundry industry with well-known manufacturers and the associated products completes the usefulness of this

industry portal. Quick and easy search options enables a swift connection to new suppliers.

## Newsletter advertising

In our regularly newsletter you can choose between different ad formats such including native ads which guarantees the highest possible level of awareness.

## JobPortal

Are you looking for specialists and managers who are familiar with foundry technology? Reach your target group precisely with our crossmedial JobPortal.

We have put together four attractive packages for your optimal presence in the **HOME OF FOUNDRY**. The heart of these service packages is the company and product database.

Learn more on the following pages and choose between: **Basic Plus, Bronze, Silver or Gold.**

# BASIC PLUS

Listing of max. 5 product categories in the directory, further listings on request

# ADVERTORIAL OR WHITEPAPER: YOUR PUBLICITY IN EDITORIAL PACKAGING

Advertorial and Whitepaper are a popular means of presenting advertising in editorial packaging. HOME OF FOUNDRY also offers you this opportunity.

We publish your advertorial directly on the homepage on the day of publication, just like the other editorial content.

Later, your article will be listed in our chronological article overview for a certain period of time.

## Advertorial or Whitepaper:

- > 3 months period 990 €
- > 6 months period: 1,690 €
- > 12 months period: 2,590 €

## PLACEMENT OF ADVERTORIALS & WHITEPAPERS

The screenshot displays the homepage of HOME OF FOUNDRY, a casting industry portal. At the top, the logo for HOME OF FOUNDRY is visible, along with navigation links for MEDIADATEN, NEWSLETTER, and KONTAKT. A search bar is also present. Below the header, there is a banner for SIMPSON TECHNOLOGIES with the tagline 'INNOVATIVE TECHNOLOGY. OPTIMIZED SOLUTIONS.' and a small image of a salad bowl. The main content area features a navigation bar with links for HOME, ARTIKEL, PRODUKTE & FIRMEN, GIESSEREI-MEDIEN, JOBPORTAL, TERMINE, and MEDIATHEK. A welcome message reads 'Herzlich willkommen im HOME OF FOUNDRY!'. Below this, there are two whitepaper articles:

- WHITEPAPER: EIN ENTSCHIEDENDER SCHRITT IN RICHTUNG GREEN FOUNDRY** (dated 16.02.2022). The article text states: 'Nachhaltige Fertigung steht zunehmend im Fokus von...'
- WHITEPAPER: DER NACHHALTIGKEITSVORTEIL** (dated 16.01.2022). The article text states: 'Mit seinem kompletten Angebot an Gießereiprodukten und seinem Fachwissen bietet Fosco eine Vielzahl von Lösungen, die...'

A circular inset on the right side of the screenshot shows a group of people in business attire standing together, with a blue background and the text 'UNTERNEHMEN Das Fraunhofer ITCV sagt Danke!' and 'GIESSEREITECH'.

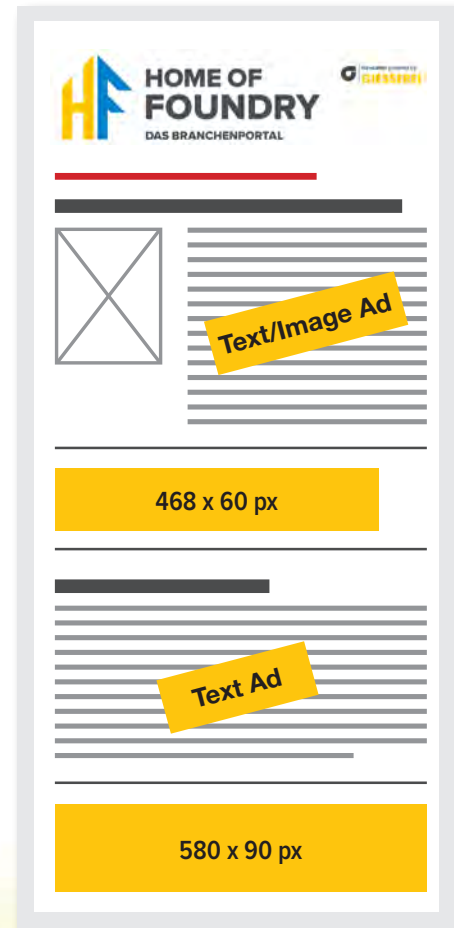

# THE NEWSLETTER, YOUR DIRECT LINE TO THE INDUSTRY **FAST, DIRECT, COST-EFFICIENT!**

The bi-lingual HOME OF FOUNDRY Newsletter is regularly published and provides the latest news in a nutshell from the industry for the industry. Ensure that your advertising is in the right context.

### Warum der Austausch mit der Politik entscheidend bleibt

Liebe Leserinnen und Leser,

in den vergangenen zwei Wochen hatte ich die Gelegenheit, die **FWH Stahlguss GmbH**, **Otto Junker** und die **Schmiedeberger Gießerei GmbH** zu besuchen. Dabei sind interessante Gespräche entstanden, die Sie bald im HOME OF FOUNDRY nachlesen können. Der Blick hinter die Kulissen zeigt, dass alle Unternehmen bemüht sind, den Dialog mit politischen Mandatsträgern zu suchen – sei es persönlich oder über Verbände. Es bleibt entscheidend, im Kontakt zu bleiben, nachzuhaken und die technischen Aspekte der Branche immer wieder zu verdeutlichen. Nutzen Sie die Gelegenheit, vor Ort mit Ihren Abgeordneten zu sprechen und bleiben Sie dran.

Auch im vorliegenden Newsletter haben wir wieder interessante Inhalte für Sie zusammengestellt. Viel Spaß bei der heutigen Lektüre und bleiben Sie kommunikativ!

# FOR ALL WHO HAVE MORE TO SAY: STAND ALONE NEWSLETTER

Your marketing messages to the industry need more space than an advertising banner can offer? Take advantage of our subscriber pool for a **stand alone newsletter**. The design corresponds to the common HOME OF FOUNDRY newsletter.

The crucial difference, however, lies in the content, which is composed exclusively of your messages. The stand alone newsletter can be sent at any time, with the exception of Thursday.

- › Intro text 1,500 characters incl. spaces max.)
- › 3 Teaser articles consisting of:
- › Headline: 75 characters max.
- › Teaser text: 540 characters max.
- › Image size: 271 x 181 px
- › Up to 4 news headlines: 70 characters max.
- › Up to 4 company events
- › **Ad rate Stand Alone Newsletter: 2,079 €**
